SUBJECT: Ceiling Exempt Staffing for the U.S. - Saudi Arabian Joint Commission on Economic Cooperation

We have been informed by the Departmental Office of Management Planning that the Office of Management and Budget (OMB) has excluded the staffing for the U.S. - Saudi Arabian Joint Commission on Economic Cooperation from employment ceilings through Fiscal Year 1982. Currently the Office of the Secretary and the Federal Highway Administration have been allocated nonceiling spaces for this program.

Since employees assigned to the U.S. - Saudi Arabian Joint Commission do not count against OMB employment ceilings, they must be excluded from employment ceiling figures on the SF-113A, Monthly Report of Federal Civilian Employment, and SF-113G, Monthly Report of Full-time Equivalent/Work-Year Civilian Employment. Please ensure that these employees are properly identified in your Department of Transportation Personnel Management Information System submissions as nonceiling. Attached is a draft page change to DOT 3291.1, Departmental Personnel Management Information System, adding "U.S. - Saudi Arabian Joint Commission on Economic Cooperation" to the current nonceiling employment categories.
